COMMUNITY SERVICE/VOLUNTEER EXPERIENCES

University of Utah Department of Dermatology, Salt Lake City, UT

ASDS Resident Liaison

7/2015-1/2017

Selected by peers to be the Resident Liaison for Utah residency program to enhance dermatologic surgery education and training for all dermatology residents in the program by acting as an intermediary between ASDS and the residency program.

- Helped familiarize the residency program with the many ASDS educational resources, upcoming ASDS-sponsored resident scholarships, research grants, and meetings/events.
- Organized resident cosmetic sessions as well as cadaver sessions to get hands-on experience with various fillers, neuromodulators, and lasers and light based devices.

Fourth Street Clinic, Salt Lake City, UT

Dermatology Resident Coordinator

7/2015-6/2016

Fourth Street Clinic helps homeless Utahns improve their health and quality of life by providing high quality health care and support services.

- Organized a monthly free dermatology clinic for homeless Utahns.

Einstein Community Health Outreach (ECHO), Bronx, NY

Project Director

03/2009 - 05/2010

ECHO is an entirely student run free clinic organization, providing free, high-quality, comprehensive health care to the uninsured and underserved population. Clinic serves approximately 1000 patients per year.

- Supervised staff of 20 medical students, recruited volunteers, troubleshoot issues, managed clinic effectiveness, and organized efforts to increase awareness of the clinic's services throughout Bronx.

LifeChronicles@Yale, New Haven, CT

Co-Founder, Yale Chapter

01/2006 - 05/2007

LifeChronicles@Yale is a local chapter of LifeChronicles, Inc., a national non-profit organization based in Santa Barbara, CA. Volunteers produce free video memoirs for people in health/life crisis, including the terminally ill and those with degenerative mental illness, and for those who wish to record their life stories for future generations.

- As the co-founder and a volunteer, expanded the organization and increased its influence on campus by recruiting more students interested and committed to ensure that the organization continued its work; drafted and submitted a proposal to the Volunteer Coordinator and the President of Connecticut Hospice to offer the services of LifeChronicles@Yale to interested patients at the Hospice.
